LEarning And DEcision making Resources

The pilot actions are being designed in each context by the project partners:

- Analysis of the needs of users in the local context
- Selection of the CMS framework area to focus action
- Definition of the tools and actions – existing – rethinking?
- Evaluation of the action/tools in the development of CMS
- Evaluation of the CMS framework – gaps? useful?

LEarning And DEcision making Resources

The LE.A.DE:R project partners will now take the CMS framework and put it into practice in our contexts and guidance services:

- With university students
- Secondary school students
- With job-seekers

The pilot actions will be designed taking into consideration the needs of the target groups and will focus on certain areas of the CMS framework:

- Personal effectiveness
- Managing relationships
- Finding work and accessing learning
- Managing life and career
- Understanding the world
